A Balanced Body
Dennis Specht, LMT
325 Sheridan St.
Ashland, OR 97520

Dear Dennis,

Thank you so much for your generous donation of Tradia Bartering Dollars to The Sidney Center in memory of your cousin's son, Daven Sizemore. It is a wonderful way to honor and remember someone whose brief life ended much too soon.

The Tradia "dollars" allowed us to purchase items for our Five-Year Celebration auction held on March 30, 2006. We were then able to auction off all the merchandise purchased for well over \$1000!

Your donation will go a long way towards keeping our doors open and services free of charge to those who need them. It is only through the caring support of individuals like yourself that The Sidney Center has been able to provide resources and expand services to the many bereaved families touched by pregnancy and infant loss.

We appreciate your consideration of The Sidney Center for your charitable giving and look forward to building a future with you and your company.

Sincerely,

Loren Alves
