A Replenishing Massage
Dennis Specht, LMT

Dear Dennis:

I trust that this letter will find you well and want to tell you how much we appreciate your service to Northwest Medical Teams, Inc.

Northwest Medical Teams, Inc. would like to express our appreciation for your efforts in organizing more than \$4,200 worth of donated therapeutic massage sessions for our staff and volunteers, from your professional colleagues and yourself.

This very generous donation of 85 massage sessions from LMT's in Jackson, Lane, Multnomah, Washington and Yamhill counties will be valued as effective solutions for the stress our workers are feeling right now, as a result of responding to the critical needs of the communities suffering from the recent tsunami in Asia.

On behalf of all of us thank you very much for your generosity – and please thank your colleagues as well.

Sincerely,

A handwritten signature in cursive script that reads "Mary Alder".
